

(Information bulletin ASD032) September 2001

**FOR THE ATTENTION OF:
AFTER-SALES:
SPARE PARTS / SERVICE MANAGER**

Dear Sirs,

Please find enclosed the following bulletins:

• **PARTS / SERVICE INFORMATION**

1. Bulletin Nos. **561** (Rocker arms) ✓

• **SERVICE INFORMATION**

1. Service Bulletin No. **558** (Technical training) ✓

Please note that initially we require information of prospective candidates only, further correspondence relating to dates, flights etc will be sent in due course.

• **TOOL CAMPAIGN**

Please find enclosed a listing of the necessary tools required for the 996R and related models in the 2002 model range. It is essential that all authorised dealers have the required tooling to service and maintain the Ducati product, therefore the tooling as listed will be automatically dispatched directly to your dealership.

Should you require any further information regarding any of these issues, then please contact your Area After-Sales Manager or the After-Sales Department at Ducati UK.

Thank you for your assistance.

Yours Sincerely,

DUCATIUK
After Sales Department.
